

Spring 2011

## **NEW** Laurentia Blue Star

Laurentia Blue Star (*Laurentia axillaris* hybrid) produces a mass of very pretty star shaped blooms above soft mounded foliage ideally suited for softening the edges of borders, paths and retaining walls.

Laurentia is a perennial that is often treated as an annual. It is a pretty and hardy plant originating from Australia which flowers approximately 12-14 weeks after planting and throughout the warmer months. It grows to 30cm in height.

Plant Laurentia Blue Star in sunny garden beds, borders, rockeries and embankments, pots, window boxes or hanging baskets.

*NEW* Laurentia Blue Star is available in Oasis B Code punnets at nurseries and garden centres from Spring 2011.
